CURVE SPORTS

register

Curve Sports gives homeschool students the opportunity to explore a variety of sports in a fun, low-pressure environment. Offered on Friday afternoons, each four-week session focuses on a different sport, allowing students of all ages and skill levels to try new things, enjoy time with friends, and keep their bodies moving. Whether trying a sport for the first time or developing existing abilities, students enjoy hands-on instruction, teamwork, and plenty of fun along the way.

JA BIZTOWN: A 5-WEEK WORKSHOP

Meeting Dates:
Jan 29, Feb 5, 12, 19
Apr 9 (simulation prep)
Simulation Date:
April 15th

Discover the real-world skills of money management, banking, budgeting, and business in this hands-on financial literacy program! Students in grades 3-6 will participate in five Friday workshops at The Curve before heading to Junior Achievement's JA BizTown for an immersive simulation day. At JA BizTown, students step into the roles of workers, business owners, and citizens as they run businesses, manage money, write checks, and make community decisions. Through interactive learning and real-world experiences, students build financial confidence, teamwork, and problem-solving skills that will last a lifetime!

YOUTH IN GOVERNMENT:
A 4-WEEK WORKSHOP

The Curve's Youth in Government program gives middle & high school students the opportunity to explore how government works, develop their leadership skills, and experience democracy in action. During a four-week Friday workshop series, students will learn about the structure and functions of state government, explore current issues, and write their own mock legislation. The experience culminates in the statewide Tennessee YMCA Youth in Government program in Nashville, where students from across Tennessee gather to take on the roles of elected officials and other government professionals.

Meeting Dates:
March 5, 12, April 2, 9

Simulation Dates:
April 15-18 High School
April 30 Middle School
