JA FINANCE PARK

Prepare for the real world through Junior Achievement's Finance Park program, where **6th-12th grade students** explore budgeting, banking, career planning, credit, and personal finance. During four Friday sessions, students will build the skills needed to make informed financial decisions before participating in an immersive, hands-on Finance Park simulation in Nashville on November 6, where they will put their knowledge into practice.

CURVE SPORTS

register

Curve Sports gives homeschool students the opportunity to explore a variety of sports in a fun, low-pressure environment. Offered on Friday afternoons, each four-week session focuses on a different sport, allowing students of all ages and skill levels to try new things, enjoy time with friends, and keep their bodies moving. Whether trying a sport for the first time or developing existing abilities, students enjoy hands-on instruction, teamwork, and plenty of fun along the way.
